

Dependent Care Spending Account Worksheet

Use this worksheet to estimate your dependent care expenses for next year.

Dependent Care Expenses	Expenses You Paid Last Year	Expenses for Next Year (January-December)
Weekly expenses	\$	\$
Number of weeks	x	x
TOTAL	\$	\$
Pay Period Cost (Total ÷ 24 (or 20 if you receive 20 paychecks per year) or the number of pay periods remaining in the year if your coverage begins after January 1)	None	\$
<p>If you are enrolling for the current year, divide by the number of pay periods remaining after your benefits coverage begins.</p>
