

protect your loved ones with our Elder Fraud Center

A smarter, safer way for older adults and families to fight fraud—together.

Elder fraud is a growing problem, and it's deeply personal. Scammers often target adults 65 and older because they know many have assets like retirement savings, home equity, or investments that appeal to criminals.

That's why we created our Elder Fraud Center, a dedicated resource hub created to support older adults and the people who care about them. Whether you're an Allstate Identity Protection member or not, you get access to practical advice and expert guidance to combat elder fraud proactively.

What you'll find in our Elder Fraud Center:

- ✓ **Staying safe roadmap**
Follow our five-step roadmap to learn to talk about fraud as a family, shut down common scams, and protect personal and financial information.
- ✓ **Educational content**
Get the latest news about fraud and scams targeting older adults—plus insights from our in-house experts.
- ✓ **Elder fraud helpline**
If you're a member and suspect fraud, you can reach a trusted advocate for help 24/7 toll-free at 1-855-799-2646.
